You're planning an event and need information – FAST. You know there's gotta be an app for that, right?

If you're tired of wasting time searching for iPhone or iPad apps, you'll want to check out [MeetingsApps.com](#), a new website launched by Invenia and the IMEX Group for meeting, event, and hospitality professionals.

[MeetingApps.com](#) is the first on-line portal that lets planners quickly locate meeting management, hotel, air travel, CVB, ground transportation, wine apps and lots of other cool tools in minutes.

They also offer a "Free Apps" Club; members receive updates on the best free meeting and event industry apps and a "pick of the month" link for a free download.
